LUXURY FAUCETS

"Nel 1981 fondai l'azienda Tonino Lamborghini Style and Accessories.

Spirito senza compromessi, design e italianità, uniti al leggendario retaggio di un mito senza tempo: questi i valori che caratterizzano il mio marchio. Mi auguro che la mia clientela possa comprendere la mission del mondo Tonino Lamborghini: esportare la passione e lo spirito della cultura italiana attraverso prodotti dal design unico e distintivo, ispirato al design industriale italiano e all'heritage meccanico della famiglia Lamborghini".

*"In 1981, I started up my compamy Tonino Lamborghini Style and Accessories.*

*Uncompromising spirit, Italian ingenuity and design – together with the timeless legend of a brand recognized throughout the globe. I hope my clientele understands my personal vision behind all my branded products: to spread the passion and spirit of Italy with unique and distinctive products, inspired by Italian industrial design and the Lamborghini family mechanical heritage".*

*Tonino Lamborghini*

Luxury Faucets 2025 nasce dall'incontro tra design distintivo e tradizione di eccellenza italiana. Ogni collezione rappresenta una fusione perfetta di estetica audace e funzionalità superiore, con un'attenzione particolare alla personalizzazione.

Le quattro collezioni, ciascuna con un carattere unico, sono progettate per offrire soluzioni coordinate per ambienti bagno esclusivi. A queste, si affianca la possibilità di creare un'esperienza unica con prodotti wellness personalizzati. Soffioni doccia e accessori con dettagli curati nei minimi particolari, per armonizzarsi con le finiture dei rubinetti.

Dietro la progettazione di queste collezioni c'è un processo meticoloso che unisce creatività, innovazione e precisione tecnica. Ogni elemento, dalle finiture ai materiali, è studiato per garantire durata, stile e prestazioni eccezionali con la garanzia del Made in Italy.

L'approccio di Luxury Faucets 2025 incarna la perfetta sinergia tra il DNA iconico di Tonino Lamborghini, simbolo di audacia e visione avanguardista, e l'innovazione di Mariner che con la sua ricerca nel design e nella sostenibilità ridefinisce l'esperienza del bagno contemporaneo. Un connubio tra energia e precisione, tra carattere e performance, per soluzioni che interpretano il lusso in chiave contemporanea, sempre con l'inconfondibile tocco di eccellenza italiana.

L'impegno per la sostenibilità, con limitatori di portata e l'uso di tecnologie di costruzione d'avanguardia, si riflette in ogni dettaglio, offrendo prodotti che non solo migliorano gli spazi abitativi, ma raccontano anche una storia di stile, heritage, passione e innovazione.

*Luxury Faucets 2025 is born from the fusion of distinctive design and Italy's tradition of excellence. Each collection embodies the perfect balance between bold aesthetics and superior functionality, with a special focus on personalization.*

*The four collections, each with a unique character, are designed to offer coordinated solutions for exclusive bathroom environments. Alongside these, there is the opportunity to create a unique experience with personalized wellness products. Showerheads and accessories feature meticulously crafted details, harmonizing perfectly with the finishes of the faucets.*

*Behind the design of these collections lies a meticulous process that blends creativity, innovation, and technical precision. Every element, from finishes to materials, is carefully studied to ensure durability, style, and exceptional performance, all with the guarantee of Made in Italy.*

*The Luxury Faucets 2025 approach embodies the perfect synergy between the iconic DNA of Tonino Lamborghini, a symbol of audacity and visionary design, and the innovation of Mariner which redefines the modern bathroom experience through its commitment to design research and sustainability. A fusion of energy and precision, character and performance, offering solutions that interpret luxury in a contemporary key, always with the unmistakable touch of Italian excellence.*

*The commitment to sustainability, with flow limiters and cutting-edge construction technologies, is reflected in every detail, delivering products that not only enhance living spaces but also tell a story of style, heritage, passion, and innovation.*

# HYPER

## Dynamism and luxury at your command

La collezione Hyper rappresenta l'apice del design audace e della personalizzazione. I prodotti di questa collezione sono caratterizzati da una forma geometrica minimalista che viene però estremizzata dalla possibilità di scegliere una leva dal carattere distintivo. Questo elemento, impreziosito dalla firma Tonino Lamborghini, incarna la fusione perfetta tra prestazioni elevate e lusso sofisticato, rendendo ogni pezzo un simbolo di modernità e dinamismo.

*The Hyper collection represents the pinnacle of bold design and customization. The products in this collection feature a minimalist geometric shape, taken to the extreme with the option to choose a lever with a distinctive character. This element, enhanced by the Tonino Lamborghini signature, embodies the perfect fusion of high performance and sophisticated luxury, making each piece a symbol of modernity and dynamism.*

# Bi-colour Showerheads

*For an exclusive shower experience*

La serie Hyper esprime tutta l'energia e il dinamismo del marchio. I 4 soffioni quadrati sono disponibili anche con Frame nei colori Bianco, Rosso o Arancio, mentre il soffione mantiene la finitura del corpo del rubinetto, creando un contrasto audace e contemporaneo, ideale per ambienti bagno dal carattere deciso.

*The Hyper series embodies all the energy and dynamism of the brand. The four square showerheads are also available with Frames in White, Red, or Orange, while the showerhead itself retains the same finish as the faucet body, creating a bold and contemporary contrast—perfect for bathrooms with a strong character.*

# HYPER

Hyper offre possibilità di personalizzazione senza precedenti. Dalla scelta della finitura del corpo, all'integrazione di 7 leve dal design ricercato ed esclusivo, ogni prodotto è pensato che chi non accetta compromessi. Hyper trasforma l'ambiente bagno in un vero e proprio spazio di design all'avanguardia.

*Hyper offers unprecedented customization possibilities. From selecting the body finish to integrating seven meticulously crafted and exclusive lever designs, every product is designed for those who accept no compromises. Hyper transforms the bathroom into a truly cutting-edge design space.*

# VORTEX

## *Elegance in motion*

La collezione Vortex dal design autentico e moderno, è caratterizzata dal simbolo distintivo del marchio Tonino Lamborghini, lo scudo inserito elegantemente sulle leve. Questo elemento iconico, oltre a richiamare la grinta e l'eleganza del brand, aggiunge un tocco di esclusività e raffinatezza, trasformando il rubinetto in un oggetto di culto per gli appassionati del design.

*The Vortex collection, with its authentic and modern design, is distinguished by the signature Tonino Lamborghini emblem, elegantly integrated into the levers. This iconic element not only reflects the brand's boldness and elegance but also adds a touch of exclusivity and sophistication, transforming the faucet into a coveted masterpiece for design enthusiasts.*

# SPECTRA 316

*The design comes to life,  
transforming water into art*

La collezione Spectra ridefinisce il concetto di eleganza nel mondo della rubinetteria prodotta in Acciaio Inox, combinando design contemporaneo con possibilità di personalizzazione bicolore. Ogni prodotto della linea si distingue per le sue linee sinuose e raffinate, creando un equilibrio perfetto tra estetica e funzionalità. L'uso sapiente delle finiture in PVD non solo esalta la piacevolezza del design, ma permette di adattare ogni pezzo allo stile unico e personale di ogni persona.

*The Spectra collection redefines elegance in the world of stainless steel faucets, combining contemporary design with customizable two-tone options. Each product in the line stands out for its fluid and refined lines, creating a perfect balance between aesthetics and functionality. The skillful use of PVD finishes not only enhances its beauty but also allows each piece to be tailored to the unique and personal style of every individual.*

# Bi-colour Showerheads

*For an exclusive  
shower experience*

I soffioni Spectra offrono un design essenziale e versatile. Disponibili con 2 soffioni tondi con cornice nei colori Rosso o Arancio e il soffione in tinta con il corpo del rubinetto. Una soluzione elegante e personalizzata, perfetta per ambienti doccia distintivi e moderni.

*The Spectra showerheads feature a minimalist and versatile design. They are available with two round showerheads, framed in Red or Orange, with the showerhead matching the color of the faucet body. An elegant and customized solution, perfect for distinctive and modern shower spaces.*

## SPECTRA 316

Spectra offre la personalizzazione bicolore, che consente di creare combinazioni su misura, per esprimere appieno la propria personalità. Questa collezione, realizzata totalmente in acciaio Inox, non solo garantisce durata e resistenza, ma trasforma il bagno in uno spazio di qualità assoluta, perfettamente in linea con le tendenze più moderne del design d'interni.

*Spectra offers two-tone customization, allowing you to create tailor-made combinations that best express your taste and personality. This collection, crafted entirely from stainless steel, not only ensures durability and resilience but also transforms the bathroom into a space of absolute quality, perfectly aligned with the latest trends in modern interior design.*

# Condizioni di Vendita

Il presente listino prezzi regola la vendita dei prodotti contrattuali tra MARINER RUBINETTERIE srl ed il Cliente

## ORDINI

Gli ordini sono impegnativi per il Cliente e devono essere redatti per iscritto così come ogni modifica, aggiunta o qualsiasi richiesta successiva all'ordine.

Gli ordini del Cliente si intendono accettati da MARINER RUBINETTERIE srl con l'invio delle conferme d'ordine.

## CONSEGNA E RESA

La merce è resa franco nostro magazzino, e comunque in conformità con le condizioni riportate sulla conferma d'ordine.

Il termine di consegna ha valore semplicemente informativo e non impegnativo essendo subordinato ad eventuali imprevisti. I casi di forza maggiore quali contingentamenti, scioperi, mancanza di trasporti, ecc. dispensano MARINER RUBINETTERIE dall'obbligo di mantenere i termini di consegna: il Committente non potrà esigere risarcimenti dovuti a danni di qualsiasi natura. Le spedizioni vengono effettuate con il mezzo ritenuto più idoneo sempre che il Cliente non esprima la propria preferenza. La merce viaggia a rischio e pericolo del Committente

## PREZZI

I prezzi sono espressi in Euro e si intendono al netto di IVA e sono comprensivi di imballo generico. In qualsiasi momento ed a suo insindacabile giudizio MARINER RUBINETTERIE srl si riserva la facoltà di apportare modifiche al listino prezzi ed alle condizioni generali di vendita, previa comunicazione al Cliente.

## PAGAMENTI

Tutti i pagamenti sono da effettuarsi direttamente a MARINER RUBINETTERIE srl sulla base dei termini e delle modalità indicate sulla conferma d'ordine. Per nessun motivo e a nessun titolo il Cliente può differire o sospendere i pagamenti oltre le scadenze pattuite. In caso di mancato pagamento saranno applicati costi ed interessi di mora nella misura stabilita dal D.L. 231/2002-art. (tasso BCE maggiorato di 7 punti percentuali) Mariner Rubinetterie avrà il diritto di sospendere ogni altra consegna senza necessità di preavvisi, ritenendo annullato, per colpa della ditta acquirente, l'ordine in corso per la parte non ancora consegnata; è fatto salvo il risarcimento dei danni.

## IMBALLAGGIO

L'imballaggio viene effettuato con imballi specifici. L'imballaggio standard è compreso nel costo del prodotto. Imballaggi speciali, pallets, gabbie, ecc. saranno addebitati al Committente al costo.

## CAMPIONATURE

Le campionature eseguite su esplicita richiesta del Cliente verranno addebitate ad un prezzo concordato tra le parti. Tale prezzo dovrà essere corrisposto dal Cliente all'atto della fornitura della campionatura.

## MAGGIORAZIONE PER PRODOTTI FUORI CATALOGO

In caso di richiesta da parte del Cliente di una lavorazione personalizzata della merce sarà applicata una maggiorazione rispetto al prezzo del listino da concordare alla stipulazione dell'ordine e verrà definito un lotto minimo di acquisto.

## RECLAMI

Al momento del ricevimento della merce il Cliente è tenuto a:

- 1) Verificare la presenza e l'integrità di tutti i prodotti previsti nell'ordine;
- 2) In caso di imballo rotto o prodotto difettoso informare per iscritto entro 48 ore il nostro Servizio Clienti.

Non si accettano reclami di alcun genere trascorsi 8 giorni dal ricevimento della merce. Eventuali reclami dovranno essere comunicati a mezzo email e/o PEC entro tale termine.

## RESI

Nessun reso merce potrà essere effettuato senza previa autorizzazione di MARINER RUBINETTERIE srl. I resi dovranno essere sempre accompagnati da regolare DDT e provvisti di etichetta originale di identificazione per la spedizione unitamente ad un rapporto che contenga ogni dato necessario all'identificazione della merce, la data ed il numero della fattura o conferma d'ordine, ed il difetto riscontrato. La presentazione del reclamo non legittima il Cliente a sospendere o ritardare i pagamenti pattuiti.

## MODIFICHE PRODUTTIVE

Le immagini contenute nel nostro catalogo sono orientative. È data facoltà a MARINER RUBINETTERIE srl di apportare a suo insindacabile giudizio tutte le modifiche o migliorie tecnico commerciali che si rendessero necessarie.

## GARANZIE

Tutti i prodotti vengono sottoposti ad accurati controlli durante ciascuna fase del processo produttivo e sono garantiti a norma di legge europea.

Sono coperti dalla garanzia di 5 anni i seguenti casi:

- Difetti di fusione, di porosità e di cromatura;
- La riparazione o la sostituzione di prodotti con difetti di fabbricazione riconosciuti dall'ufficio tecnico di Mariner Rubinetterie srl

Sono coperti dalla garanzia di 2 anni tutti gli organi meccanici.

La garanzia decade nel caso in cui si verificano le seguenti situazioni:

- Errori di installazione e messa in opera del prodotto
- Deterioramento delle superfici cromate dovute all'uso di prodotti per la pulizia contenenti acidi o sostanze abrasive
- Deterioramento delle superfici con finiture diverse da quelle cromate. La loro durata è infatti subordinata alla cura e alla delicatezza dell'uso da parte dell'utente.
- Deterioramento della rubinetteria imputabile ad un'installazione effettuata in modo non corretto
- Utilizzo del prodotto in modo non corretto
- Riparazioni e manutenzioni effettuate in modo non idoneo e senza preventiva autorizzazione dell'azienda.

# Sales Conditions

*This price list regulates the sale of contractual products between MARINER RUBINETTERIE srl and the customer*

## ORDERS

*Orders are binding on the Customer and must be drawn up in writing as well as any modification, addition or any request subsequent to the order. Customer orders are considered accepted by MARINER RUBINETTERIE srl by sending order confirmations.*

## DELIVERY TERMS

*The goods is intended EX WORKS delivery terms, or in any case in accordance with the conditions indicated on the order confirmation.*

*The delivery time is simply informative and not binding since it is subject to any unexpected events. Cases of force majeure such as quotas, strikes, lack of transport, etc. MARINER RUBINETTERIE exempt from the obligation to maintain the delivery terms: the Customer will not be able to claim compensation for damages of any kind. Shipments are made with the means deemed most suitable provided that the customer does not express his preference. The goods travel at the risk and danger of the buyer*

## PRICES

*The prices are expressed in Euros, VAT not included, generic packaging included. At any time and at its sole discretion MARINER RUBINETTERIE srl reserves the right to make changes to the price list and general conditions of sale, subject to communication to the Customer.*

## PAYMENTS

*All payments are to be made directly to MARINER RUBINETTERIE srl on the basis of the terms and conditions indicated on the order confirmation. For no reason and for no title the Customer can defer or suspend payments beyond the agreed deadlines. In case of non-payment, default costs and interest will be applied to the extent established by Legislative Decree 231/2002-art. (ECB rate increased by 7 percentage points)*

*Mariner Rubinetterie will have the right to suspend any other delivery without the need for advance notice, considering that the order in progress for the part not yet delivered has been cancelled due to the fault of the purchasing company; compensation for damages is reserved.*

## PACKAGING

*The packaging is carried out with specific packaging. Standard packaging is included in the cost of the product. Special packaging, pallets, cages, etc. will be charged to the Customer at cost.*

## SAMPLES

*The samples made on explicit request of the customer will be charged at a price agreed between the parties. This price must be paid by the customer when the sampling is provided.*

## INCREASE FOR PRODUCTS OUT OF CATALOGUE

*In the event of a request from the Customer for a personalized processing of the goods, a price increase will be applied to the quotation of the price list : this is to be agreed upon the order confirmation and a minimum purchase lot will be defined.*

## COMPLAINTS

*Upon receipt of the goods, the Customer is required to:*

- 1) Check the presence and integrity of all the products included in the order;
- 2) In case of broken packaging or defective product, inform our Customer Service in writing within 48 hours.

*Complaints of any kind are not accepted after 8 days from the receipt of the goods. Any complaints must be communicated by email and / or certified email within this deadline.*

## RETURNS

*No goods can be returned without prior authorization from MARINER RUBINETTERIE srl. Returns must always be accompanied by regular DDT and provided with an original identification label for shipping together with a report that contains all data necessary to identify the goods, the date and number of the invoice or order confirmation, and the defect found. The presentation of the complaint does not legitimize the Customer to suspend or delay the agreed payments.*

## PRODUCTION CHANGES

*The images contained in our catalogue are indicative. MARINER RUBINETTERIE srl is given the right to make any technical or commercial modifications or improvements that may be necessary at its sole discretion.*

## GUARANTEES

*All products are subjected to careful controls during each phase of the production process and are guaranteed in accordance with European law.*

*The following cases are covered by the above guarantee:*

*Casting, porosity and chromium plating defects;*

*The repair or replacement of products with manufacturing defects recognized by the technical office of MARINER RUBINETTERIE srl*

*They are covered by the 5-year guarantee in the following cases:*

- Casting, porosity and chrome defects.
- The repair or replacement of products for manufacturing defects recognized by the technical office of Mariner Rubinetterie srl

*All mechanical parts are covered by the 2-year guarantee.*

*The guarantee lapses if the following situations occur:*

- Product installation and commissioning errors
- Deterioration of the chrome surfaces due to the use of cleaning products containing acids or abrasive substances
- Deterioration of surfaces with finishes other than chrome. Their duration is in fact subject to the care and delicacy of use by the user.
- Deterioration of the taps attributable to an incorrectly installed installation
- Incorrect use of the product
- Repairs and maintenance carried out in an unsuitable way and without prior authorization from the company.
